(L-R Dr GM Hoosen, Mr SGH Suleman, Mrs Iman Elkadi, Mrs Salma Abugideiri, Dr M Khan, Dr MC Solwa)

CEREMONIAL SOD TURNING

This ground breaking, historical event was held on the 24th September 2013, a date remembered on the South African Calendar as National Heritage Day. The event, marking a significant occasion of the Islamic Medical Association of South Africa's heritage in Durban and South Africa.

Special guests participating at this event were Mrs Iman Elkadi (wife of the late Dr Ahmed Elkadi), and their daughter, Salma Abugideiri, who had flown in from the United States of America.

Founder members of the Islamic Medical Association, Dr Mohammed Khan, Dr Goolam M Hoosen as well as Chairmen of the project, Dr MC Solwa and Mr Solly Suleman, addressed the crowd with high regard for the late Dr Ahmed Elkadi. After all, it was through his dedication and commitment that the IMA in South Africa exists today.

For Iman and Salma, the event was an emotional one, saying that his vision was to see growth in the organization; that this project was a fulfilment of his dreams and naming the hospital after her late husband was most humbling.

PRESENTATION EVENTS

A platform for engagement and promotion of the project, has been created. On a Tuesday evening at approximately 7pm (Salaah time dependant), the Directors and members of the committee avail themselves to present to members of the public, the project and its investment opportunity.

Please feel free to extend this invitation to anyone you know, however, please confirm with the office personnel, as it is subject to attendance confirmation.
